

## ADOPTION AVAILABLE

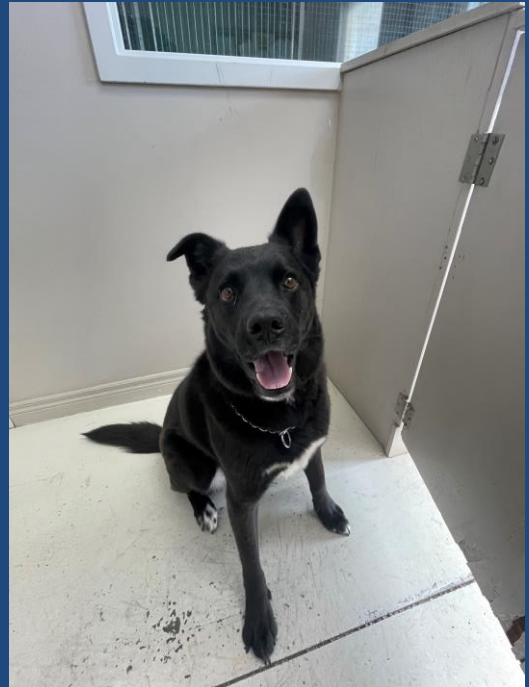

### *Max*

Breed: Shepherd Collie Mix

Age: 3-4Yrs

Sex: Fixed Male

Information: Max was surrendered to the Township of Ramara and is looking for a new loving forever home. He knows his basic commands like sit and lay down but is very limited on his training and is very treat dependant. Max can be a little nervous around new people but warms up quickly especially if you are doing something he enjoys, like playing outside. Unfortunately at the moment he doesn't get along very well with other dogs so we recommend is the only dog in the house at the beginning till he can be socialized properly. Max is looking forward to meeting you! Please contact the Township Of Ramara using the information below to schedule a meeting.
